

Disorders which Affect the Kidneys

Are among the most formidable known. Diabetes, Bright's disease, gravel and other complaints of the urinary organs are not ordinarily cured in severe cases, but they may be averted by timely medication. A useful stimulant of the urinary glands has ever been found in Hostetter's Stomach Bitters, a medicine which not only affords the requisite stimulus when they become inactive, but increases their vigor and secretory power. By increasing the activity of the kidneys and bladder, this medicine has the additional effect of expelling from the blood impurities which it is the peculiar office of those organs to eliminate and pass off. The Bitters is also a purifier and strengthener of the bowels, an invigorant of the stomach, and a matchless remedy for biliousness and fever and ague. It counteracts a tendency to premature decay, and sustains and comforts the aged and infirm.

A casting for a steam cylinder, requiring 90,000 pounds of molten gun metal, was made at the Morgan Iron Works, New York, last week. It is the largest casting ever made, and is for a new steamer building by John Roach & Son, Chester, Pa.

Here is The Test.

Dizziness, nausea, despondency, jaundice, loss of appetite, inflammations, gravel, female diseases and all troubles of the urinary organs, and bladder are quickly and surely removed by Warner's Safe Kidney and Liver Cure.

The man who frightened a lady to death in Baltimore, by forcing his way into her house has been discharged by paying a fine of \$1.95. It was found that he could not be held criminally responsible for her death.

A Losing Joke.

A prominent physician of Pittsburgh said jokingly to a lady patient who was complaining of her continued ill health, and of his inability to cure her, "try Hop Bitters." The lady took it in earnest and used the Bitters, from which she obtained permanent health. She now laughs at the doctor for his joke, but he is not so well pleased with it, as it cost him a good patient.—Harrisburg Patriot.

Can Consumption be Cured.

Read what Mr. William C. Digges, a merchant of Bowling Green, Va., writes under date of April 14th, 1881. He says: "I firmly believe that ALLEN'S LUNG BALSAM will, and has cured consumption if taken in time and proper care been taken of the Patient both in suitable food and clothing. Six years ago my mother was attacked with pneumonia. The attending physician, 'some time after' told me that the disease had settled on her lungs and that she had the consumption. Not believing that a permanent cure could be effected, but thinking I might be able to get an expectorant not containing opium, which would afford some relief, I enquired of a druggist at Richmond, Virginia, if he had any medicine not containing opium, that was a good expectorant. He then recommended Allen's Lung Balsam which I purchased and induced my mother to try. Before she had taken the first bottle, the improvement in her condition was so marked that I purchased three more bottles. The attending physician seeing the beneficial effects recommended its continued use, and in about twelve months her lungs were pronounced cured. Upon my recommendation many others who had the consumption have been cured. I think you can claim for your medicine, the following: Expectoration without irritation, and healing of the lungs by keeping them free from foreign substances, thus arresting and curing this dread disease. Mr. Digges says he writes because he wants us to know that Allen's Lung Balsam are doing good.

How to Secure Health.

It seems strange that anyone will suffer from derangement brought on by impure blood, when SCOTT'S SERRAPILLO AND STILLINGIA OR BLOOD AND LIVER SYRUP will restore perfect health. It is a strengthening syrup, pleasant to take, and has proven itself to be the BEST BLOOD PURIFIER, effectually curing Scrofula, Syphilis disorders, Weakness of the Kidneys, Erysipelas, Malaria, all Nervous disorders and Debility, Bilious complaints and all Diseases of the Blood, Liver, Kidneys, Stomach, Skin, etc. It corrects indigestion. A single bottle will prove to you its merits as a health renewer, for it ACTS LIKE A CHARM, especially when the complaint is of an exhaustive nature, having a tendency to lessen the natural vigor of the brain and nervous system.

TRADE MARK.

The Only True Malarial Antidote.

DR. HOLMAN'S PAD is no guess-work remedy—no feeble imitative experiment—no purloined hedge-podge of some other inventor's idea; it is the original and only genuine curative Pad, the only remedy that has an honestly-acquired right to use the title-word "Pad" in connection with a treatment for chronic diseases of the Stomach, Liver and Spleen.

By a recently perfected improvement DR. HOLMAN has greatly increased the scope of the Pad's usefulness, and appreciably augmented its active curative power.

This great improvement gives HOLMAN'S PAD (with its Adjuncts) such complete and unflinching control over the most persistent and unyielding forms of Chronic Disease of the Stomach and Liver, as well as Malarial Blood-Poisoning, as to amply justify the eminent Professor Loomis' high endorsement: "It is NEARER A UNIVERSAL PANACEA THAN ANYTHING IN MEDICINE!"

The success of HOLMAN'S PADS has inspired Imitators who offer Pads similar in form and color to the genuine HOLMAN PAD. Beware of these Bogus and Imitation Pads, gotten up to sell on the reputation of the GENUINE HOLMAN PAD.

Each Genuine Holman Pad bears the Private Revenue Stamp of the HOLMAN PAD COMPANY with the above Trade-Mark printed in green.
